Career Education for Everyone

EARN A PROFESSIONAL DEVELOPMENT GRANT

- \$5,000 will be available for grant awards to schools or CTE Departments attaining 100 percent CTE professional staff membership in KACTE. Only schools or CTE Departments achieving 100 percent by February 29, 2016, will be eligible to apply for a professional development grant of up to \$2,000.
- Area Technology Centers, Career-Technical Centers, and comprehensive high school CTE Departments are eligible. They must achieve 100 percent KACTE membership of CTE-specific faculty and administration. Excluded from determining the CTE staff are non-CTE administrators at comprehensive high schools, non-certified personnel, and in 2015-16 ROTC instructors.
- Eligible schools will be notified March 1, 2016, they may apply for the grant of up to \$2,000 to allow for all membership application and financial processing. KACTE will provide the grant application, which will be due March 15, 2016. A committee appointed by KACTE President

Lee Ann Daugherty will determine the amount and number of professional development grants, to be available by March 23, 2016.
